Dear Parents,

Riverside PTO is committed to making our school safer. There are many safety items that our school could benefit from. Among these items are Code Red backpacks for each classroom, a door buzzer for the front office, security film for the cafeteria windows and an intercom system, just to name a few.

Our priority is to have a door buzzer system (\$4,000) installed for the front office and to put a Code Red backpack in every classroom and area of the school that a child might be in during the day. This includes our Specials teachers, the nurse's office and the cafeteria. We hope we never have to use them, but in case of an emergency, these backpacks would be helpful. The cost of these backpacks is approximately \$70 each. We need around 70 backpacks.

Our goal is to raise \$10,000 to help fund these items. So, this year, consider a donation towards our Safety Initiative. Visit our GoFundMe page to donate!
